AMENDMENT AFTER FINAL

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the final Office Action mailed 01 February 2000, please amend the above-identified application as follows:

IN THE SPECIFICATION:

Page 21, line 17, please delete "179".

REMARKS

The specification has been amended to delete the numeral "179", which is not shown in the Figures.

The Examiner has rejected claims 46-58 and 69 under 35 USC §112, first paragraph, for lack of enablement. In making this rejection, the Examiner contends that the limitation added to claim 46 is new matter. Applicants cannot agree with the Examiner's contention, since this limitation is described at pages 21 and 22 of the specification and shown in Figure 4 (copies attached).
